

The award-winning 'In the Beginning' animation was produced by **BEEE Creative**, directed by Shaun Clark - Flicker Mill and created with members of the Royston community. Synopsis: buried in darkness, a woman witnesses centuries passing by as she cries out to the world in search of her identity and place in the world. The 10 min 45 sec film will be played on a loop throughout the festival at Royston Museum from Thursday 22nd to Sunday 25th between 10.00 - 16.00 each day. **FREE**
