## HELPING THE WORLD REACH NET ZERO

Johnson Matthey is helping the world reach net zero. The world's leading energy chemicals and automotive companies depend on us to help them decarbonize, reduce harmful emissions, and achieve their sustainability goals. The science behind reaching net zero is developed right here in Royston, and one of our Global Sustainability Leaders will explain how we are reaching these goals.

**Where:** Oak Room, The Old Bull Inn, 56 High Street, Royston SG8 9AW **Venue 8**

**When:** 27 Sept 7 – 8.30 pm **FREE** Age 16+ Web: <https://matthey.com/en/home>
