## Dancing Queen

Ooh, you can dance, you can jive, having the time of your life  
Ooh, see that girl, watch that scene, digging the dancing queen

Friday night and the lights are low, looking out for a place to go  
Where they play the right music, getting in the swing  
You come to look for a king  
Anybody could be that guy, night is young and the music's high  
With a bit of rock music, everything is fine  
You're in the mood for a dance, and when you get the chance

You are the dancing queen, young and sweet, only seventeen  
Dancing queen, feel the beat from the tambourine, oh, yeah  
You can dance, you can jive, having the time of your life  
Ooh, see that girl, watch that scene, digging the dancing queen

You're a teaser, you turn 'em on, leave them burning and then you're gone  
Looking out for another, anyone will do  
You're in the mood for a dance, and when you get the chance

You are the dancing queen, young and sweet, only seventeen  
Dancing queen, feel the beat from the tambourine, oh, yeah  
You can dance, you can jive, having the time of your life  
Ooh, see that girl, watch that scene, digging the dancing queen  
Digging the dancing queen

FANFARE leading into The National Anthem

God save our gracious King!  
Long live our noble King!  
God save the King!  
Send him victorious,  
Happy and glorious,  
Long to reign over us,  
God save the King.

Thy choicest gifts in store  
On him be pleased to pour,  
Long may he reign.  
May he defend our laws,  
And ever give us cause,  
To sing with heart and voice,  
God save the King.
